Deanna,

Regarding steel pipe manufactured by Hickman Pipe, LLC.

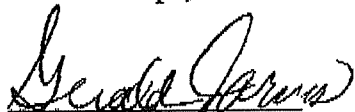

Hickman Pipe produces electric resistance welded carbon steel pipe at its' manufacturing facility located in Hickman, Kentucky. The pipe is produced to ASTM A135/A795.

Hickman Pipe purchases Hot-Rolled carbon steel bands from steel mills located in the United States to be used in the production process. Among the mills utilized are:

USG
Beta Steel, Portage, Indiana
Mittel Steel, Burns Harbor, Indiana
Nucor Steel, Crawfordsville, Indiana

Approximately 33% of the steel is produced from recycled materials. Of this 33%, roughly 35% is from post industrial and 35% is from post consumer scrap.

Sincerely,
Hickman Pipe, LLC

Gerald Jarvis, Sales Manager
