

WARD MANUFACTURING

P.O. Box 9
115 Guick Street
Blossburg, PA 16912-0009 (570) 638-2131

March 21, 2005

To whom it may concern:

Ward Manufacturing's fittings, malleable and gray iron, are manufactured from 100% recycled ferrous material. The ferrous material comes from various scrap yards in the Northeast, mostly from Pennsylvania. These fittings are manufactured in Blossburg, Pennsylvania using cupola melting.

Sincerely,

Kevin Barron
Manager of Quality Assurance
